BESPOKE FITTED WARDROBES, STUDIES & LIVING ROOM UNITS

WALK-IN WARDROBES/ DRESSING ROOMS

Your Neatsmith walk-in wardrobe will be completely bespoke, created to work with your life and the storage features you require – we do not use standard carcasses which allows us to maximise your storage. We can work with you to include sophisticated lighting effects and bespoke features to make sure your unique Neatsmith wardrobe feels special to use every single day.

The ultimate in luxury storage, a Neatsmith walk-in wardrobe truly transforms your daily experience and turns a busy life into an ordered one. Many of our clients maximise excess space in a large bedroom or see the potential in turning a small, spare bedroom into a walk-in wardrobe.

INTERNAL CARCASS VENEER COLOURS

Anthracite

Grey Linen

Dark Oak

SPECIFICATION

600mm depth required, units can be made to any depth.

38mm shelving, 22mm uprights and 8mm back panels.

Drawers fitted with full extension soft close runners.

All drawers are made from a luxury linen veneer.

"We are absolutely thrilled, our wardrobes are without doubt exceptional; beautifully designed and built. Also very pleased with the installer, their work was exemplary and they worked very neatly and quickly."

BECKY COLLARD

TRANSFORMING SPACES

Neatsmith uses 38mm thick shelving in all our walk-in wardrobes which gives a substantial, quality feel with the edges finished to last.

All our bespoke drawers are fitted with full extension soft close runners as standard. They are the best drawer runners available on the market and they come with a lifetime warranty.

HINGED DOOR WARDROBES

Every Neatsmith hinged door is hand made to order by skilled craftsmen using the finest quality materials and processes. All our hinged doors are made to measure and most of them can be made up to 2.8m in height.

A Neatsmith hinged wardrobe can be designed to work around all sorts of awkward spaces including sloping or angled ceilings, allowing us to maximise your storage space.

There is a wide range of colours and materials to choose from as well as a beautiful handle collection to complement your design.

All Neatsmith hinged doors are fitted with soft close hinges that come with a lifetime guarantee.

INTERNAL CARCASS VENEER COLOURS

Shadow Oak

Walnut

Linen

Anthracite

Grey Linen

Dark Oak

SPECIFICATION

650mm depth required, units can be made to any depth.

38mm shelving, 22mm uprights and 8mm back panels.

Drawers fitted with full extension soft close runners.

All drawers are made from a luxury linen veneer.

LACQUERED DOORS

The Neatsmith hinged door colour palette offers a range of sophisticated colours in either a matt or gloss finish.

There is a small additional charge if you require a bespoke colour match to your paint colour.

We offer a selection of handle options which can all be discussed along with your design requirements at one of our showrooms.

The interior of your wardrobe is available in 6 unique Deco veneers for an elegant, organised and practical finish.

Matt finish

Gloss finish

Castille Luna

Castille Aspas

Castille Laces

CASTILLE DOORS

Our elegant Castille doors are a real showstopper and have become one of our most popular hinged doors. There are 6 styles to choose from and any of our glass or mirror finishes can be used in the doors.

Available in our 13 standard matt colours, we can also colour match to any RAL number or paint sample.

Available with up to 4 panels

SHAKER

Achieving classic style with simple detailing our ever-popular Shaker doors are a firm favourite. Neatsmith have various handle choices but you can supply your own should you wish.

These doors are available in our standard Neatsmith colours although a colour of your choice can be used for a surcharge.

TRIM DOORS

These stylish yet understated doors feature recessed handles to give a seamless look. Whether you choose to match the handle to the door or go for a complementary finish you can be sure of a timeless elegant wardrobe.

Available in our 13 standard matt or gloss colours, we can also colour match to any RAL number or paint sample.

RATTAN DOORS

These handmade lacquered hinged doors with rattan panels are one of our newest additions.

We fell for their style and texture, instantly knowing we had to include them in our collection, and they have quickly become a favourite amongst our interior designer clients too.

FRAMELESS GLASS DOORS

Since installing our own specialist glass polishing machine in our factory these doors have quickly become one of our signature finishes.

No matter which one of our 50 glass finishes you go for, the back of the door will always match the internal Deco veneer you have chosen.

DECORATIVE GLASS DOORS

These glamorous doors feature intricate fabrics covered by glass for a luxurious effect.

There are over 30 stylish options available.

REFLEX DOORS

This beautiful mirrored door has a secret – when lit from the inside the glass becomes transparent.

Available in either natural silver mirror or smoked grey mirror they are a wonderful sight when lit. Pop into one of our showrooms to really appreciate them.

DECO VENEER DOORS

Our Deco veneer doors are an understated classic, available in 6 finishes and with a wide choice of handles, they can complement any interior scheme.

TERMOCOTTO DOORS

Our beautiful Termocotto oak veneer doors are manufactured using a fire hardening technique that dates back thousands of years – the Japanese called it shou-sugi-ban.

The heat treatment not only gives the doors their trademark natural look but it also hardens the extra thick veneer.

CASTILLE FABRIC DOORS

We offer a number of fabric finishes for the panelling (as well as our usual lacquer options for the frame) but a lot of clients specify their own so that the wardrobe can tie in with the other soft furnishings in their room.

The demand for this truly unique and luxurious door shows no sign of abating and we look forward to many more Castille Fabric wardrobes being installed this year.

SLIDING DOOR WARDROBES

Sliding door wardrobes are ideal where space is at a premium but storage needs to be maximised.

They can be made to almost any size and almost all doors can be fitted with a soft close mechanism.

The range of Neatsmith sliding door wardrobes is extensive and the options from which you can choose are many; such as the number of doors, the colours of doors, and the number of panels per door.

Neatsmith manufacture the very best sliding wardrobe doors in the UK. Every door is fitted with 10 wheels to make sure they slide perfectly every time. The mechanism also comes with a lifetime guarantee.

INTERNAL CARCASS VENEER COLOURS

Shadow Oak

Walnut

Linen

Anthracite

Grey Linen

Dark Oak

SPECIFICATION

700mm depth required for hanging.

Maximum door size up to 2800mm in height and 2500mm in width.

The base of each door carries a pair of sealed self-levelling double wheeled cassettes capable of supporting over 100 kilograms.

The top guides include three high grade vulcanised rubber wheels on the corner of each door.

Doors over 750mm wide can be fitted with a soft close.

22mm internal carcass, 38mm shelves and 8mm back panels.

Drawers fitted with full extension soft close runners.

All drawers are made from a luxury linen veneer.

SERIES 1 ANTHRACITE PROFILE DOORS

Our wood grain Series 1 Anthracite Profile doors come with a selection of 25 glass colours to choose from as well as silver, bronze and grey mirror.

The elegant design statement combines veneer which has the look of natural wood with glass or mirror panels. Your sliding door wardrobe can include up to 5 panels.

This design can also be lacquered in any of our 13 standard colours.

The interior will be crafted to your exacting requirements using the same Anthracite wood grain.

BOOM DOORS

Our Boom sliding doors are a simple, clean and functional design that will complement any bedroom. Each door is completely bespoke and can be made up to 1m wide and 2.8m high.

BOOM COUNTRY DOORS

Based on the Boom door but with panelling detail, the 'Country' design has classic elegance.

These doors can be designed with up to 4 inserts per door and there is a choice of 42 insert colours and silver, bronze and grey mirror.

Available in
40 glass colours

CLOISTER DOORS

Our cloister doors are unique – they are the only made-to-measure frameless glass wardrobe doors available in the UK.

These doors can be up to 2800mm high and 1250mm wide.

There are over 40 glass colours to choose from and silver, bronze and grey mirror tones.

“Neatsmith are the epitome of quality in both service and product.

From the day we walked into the showroom to design three dressing rooms and a cloakroom we were given unconditional service.

The attention to detail and the efficiency of all communication from emails to plans to bookings was second to none.

When it came to the installation the level of service continued. The two installers were tidy, efficient and professional. The end products have blown us away and anyone who sees the house.

I can sum Neatsmith up as professional from beginning to end.”

CLAIRE YAGER

ARIA DOORS

With our glorious Aria sliding doors, you can have up to 5 different panels, of varying sizes, in each door. There are 25 different glass finishes to choose from and we can powder coat the tracks and frames in a range of colours too – the choices are almost endless.

ACCESSORIES

The showroom teams can talk you through the Accessories Collection, which combines perfectly with a multitude of internal options, designed to make using your new furniture a pleasure.

The accessories also make day-to-day living easier with tailored ideas that work hard to keep every customised space inside the wardrobe neat and tidy.

Your designer will discuss your specific storage requirements with you at the initial design stage to ensure we incorporate the right balance of storage for you and your lifestyle.

FOLDING SHELF

A perfect workstation for folding your clothes before putting them away. It discreetly slides away on a full extension soft close runner when not in use.

ANGLED SHOE SHELVES

A beautiful way to store and display your shoes, add lighting for an even more luxurious look.

PULL-OUT SHOE DRAWERS

Designed to take both mens' and womens' shoes, these drawers are always fitted with our full extension runners and can either be fitted with a push latch or a soft close mechanism.

LAUNDRY BASKET

Collect your washing and keep it out of sight. The washable pouch works on smooth runners for easy access.

FIXED SHOE RAILS

A neat and practical way to store shoes at the bottom of your wardrobe.

GLASS SHELVING

Take your interiors to the next level by incorporating glass shelving.

BUILT IN CUPBOARD WITH LOCK

For those personal documents and possessions you want to keep under lock and key.

JEWELLERY INSERTS

Our new vegan leather jewellery inserts are the perfect way to store and display all your precious pieces. Watches, rings, earrings – we have the perfect storage solution for you.

DRAWER DIVIDERS

Ideal for neat and tidy storage. A great way to display smaller items such as socks and jewellery.

5 HOOK RAIL

Hang your more delicate pieces of jewellery so they don't get tangled up with each other.

SWIVEL HOOK

Useful for selecting clothes whilst dressing. It can turn a full 360 degrees.

DRAWERS

We manufacture all our drawers in our luxurious linen finish. They are available in a wide range of sizes and can also be made completely bespoke if needed. We only ever use Blum full extension soft close runners – they are the best runners available and they come with a lifetime guarantee.

GLASS TOPPED DRAWERS

Turn a drawer into a display case for your favourite accessories with our glass top design, available with inlaid LEDs upon request.

GLASS FRONTED DRAWERS

Our beautiful glass fronted drawers are crafted from our curated selection of decorative glasses.

PULL-OUT TROUSER RACK

Keeping trousers sharp and crease free, making daily choices effortlessly simple.

PULL-OUT TIE & BELT RACK

Keep your leather in good condition by having it hanging and easy to reach.

BUILT IN SAFE

The Neatsmith safe can be installed in various positions, adding an extra measure of security.

It has all been tested and certified by the LPCB (Loss Prevention Certification Board) and gained insurance approval by the AIS (Association of Insurance Brokers) for £4,000 in cash and £40,000 in valuables.

TIE BAR

This rail takes up no room at all, useful for scarves and ties.

PULL-OUT TIE RACK

For easier selection and visibility of your ties, without any other items getting in the way. Holds 32 ties.

INTERNAL MIRROR

Mirrors can be installed onto the inside of hinged doors or the back panel of your wardrobe.

SWIVEL MIRROR

Folding away neatly to one side of an internal space, this mirror is forever useful for a full view when getting ready.

PULL DOWN HANGING RAIL

This rail design allows you to bring the rail up and down efficiently and is the perfect way to make use of hard to reach heights.

ACCOMPANYING FURNITURE

Your design doesn't have to end with a wardrobe, we can create bespoke accompanying furniture to meet all of your storage needs.

Many of the unique pieces Neatsmith have created emanate from a collaboration of ideas between the client and the designers for how to store clothes and items in the most efficient ways.

DRESSING TABLES

Whether your Neatsmith dressing table is part of your walk-in wardrobe, or a freestanding unit, you can be sure that we will have thought of everything – space for your hairdryer, mirrors, lighting - and that it not only maximises your storage space but works to your individual needs.

ISLAND UNITS

Island units can be tailored to your needs so that drawers can take anything from sweaters to rows of handbags. A mix of materials can be combined including veneer, glass and mirror to produce contemporary furniture design for today's interiors.

BEDSIDE TABLES

Neatsmith can design and install bespoke bedsides, replicating the style and finish to perfectly complement your new wardrobes.

LIVING ROOM UNITS

A bespoke Neatsmith living room unit really is the only choice if you want to maximise the storage space you have available while also making sure that everything fits perfectly.

We will measure your TV, we will measure that trophy or heirloom that you want on display and with a combination of open and closed sections, glass shelves, lighting and mirrored or glass back panels our experienced designers will create a living room unit that not only looks amazing but fits perfectly into your room and the way you want to live.

"The whole experience was extremely positive, from the excellent designers, fantastic product to the professional fitters. Would highly recommend."

SIMON COFFEY

HOME OFFICES & STUDIES

Neatsmith design and install bespoke home offices and studies – we can make your desk any depth, width or shape you require. Your peculiarly shaped printer will always fit and whether your documents hang out in suspension files or lever arch files, there will always be a perfectly designed space for them.

With clever cable management and even wireless charging points, Neatsmith will design a calm, intelligent space for you to work in.

Whether your home calls for a modern office or a slightly more classical study, our wide range of door styles and finishes means we have it all covered. With our creative use of glass and mirrors, even the smallest of spaces can feel spacious and luxurious.

“After comparing various bespoke wardrobe companies we decided on Neatsmith, absolutely 5 star company, from the home survey to designing what we wanted. Our expectations have been surpassed. The install went perfectly, really professional organisation, highly recommended!”

ANTONIO M

ABOUT US / MEET THE FOUNDERS

Neatsmith creates and installs bespoke wardrobes, living room furniture and home offices in London. We are a family run business established over 15 years ago.

We employ a dedicated team of designers and cabinet makers who help us deliver innovative design, enduring quality and impeccable service.

Our five showrooms are run by experienced managers and knowledgeable designers, all ready to meet your exact needs when designing your storage solution.

Visit our showrooms to gain inspiration from examples of our stunning finished product and gather ideas for your own custom-made design. Alternatively, phone us for an initial consultation.

With a collection of the very best materials, accessories and finishes, we can create a design customised for you.

“We’re dedicated to working on a very personal level with our clients to produce something of real quality which we feel proud to say is by Neatsmith.”

ANDREW NAGEL – FOUNDER

HOW WE WORK - STEP-BY-STEP

STEP 1: INITIAL MEETING

We have 5 showrooms in and around London, where we invite you to be inspired and have a chat with a member of the team. Here, you can browse our extensive collection, see the quality of our craftsmanship first-hand and discuss your project with our friendly and knowledgeable designers.

STEP 2: DESIGN AND QUOTE

After the initial meeting your experienced Neatsmith designer will turn your ideas into a full colour 3D design, giving you a clear visualisation of your storage space and its place within your home.

Your designer will be on-hand throughout to offer storage and design advice and to help you maximise your storage space.

STEP 3: PLACING YOUR ORDER

Once we have finalised your bespoke Neatsmith design we ask for a 30% deposit and then we send our surveyor to carry out a full site survey before we begin producing your wardrobe in our Watford factory.

We will update and inform you at every step of the production process and find an installation date to suit you.

STEP 4: DELIVERY & INSTALLATION

At Neatsmith all of our fitters are full-time employees, allowing us to offer an extremely high level of craftsmanship. We will work conscientiously and leave your home as you would expect to find it.

All our wardrobes come with a market leading warranty and a lifetime guarantee on all hinges and drawer runners.

Beyond fitting, our aftersales team are always on hand, should you ever need us.
